Need SEO for Etsy Listings

**** 5.00 Oct 2019 - Nov 2019

It was my first experience with an Etsy Pro as I've just opened a new shop and it went very well indeed as Melissa is great at what she does! Although it takes a little while to see any results using SEO, I'm very happy with the completed work and I'm looking forward to hiring Melissa again for a similar project.

SEO Guru Needed For Established Etsy Shop.

**** 5.00 Jul 2019 - Sep 2019

Melissa is first and foremost an experienced professional. I communicated up front that my Etsy shop has been a woman operation for 9+ years. She was patient and understanding working with my control issues around collaboration. VERY thorough with her step by step approach to overhauling the SEO for my shop titles & tags. Really appreciate her skill set related to marketing and platform specific hints & tips for Etsy, BIG THANKS Melissa for your above & beyond approach, looking forward to results!
